Greenacre Environmental Systems Ltd

Health and Safety Statement of Intent

Greenacre Environmental Systems Ltd recognises that a commitment to Health and Safety excellence needs to involve all employees and third parties working on our behalf, with everyone understanding and playing their part to ensure all employees and third parties remain safe and healthy at all times.

Greenacre Environmental Systems Ltd is committed to providing safe and health working conditions at all times, thereby preventing work related ill health and injury, and in pursuit of this we strive to achieve zero injuries or illnesses arising from our activities and avoid corresponding damage to property and equipment. To this end, health and safety focused objectives and targets have been established, which in turn support our commitment to achieve continual improvement of our health and safety management system.

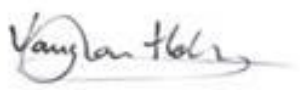

In implementing this policy Greenacre Environmental Systems Ltd formally commits to complying with all applicable occupational Health and Safety legislation, codes of practice and other requirements, and to continually improving our health and safety arrangements and performance through:

- Ensuring all our employees are kept safe, healthy and provided with adequate welfare facilities, including access to first aid, and are adequately consulted and encourage to participate in decisions etc. affecting their health and safety.
- Promoting health and safety awareness amongst third parties working on our behalf.
- Adequately assessing the health and safety implications of our work activities, thereby eliminating hazards, reducing risks and introducing effective controls, so far as is reasonably practical.
- Where indicated by risk assessment, developing and implementing safe systems of work to protect the health and safety of all who may be affected by our work activities.
- Implementing effective health and safety communication mechanisms.
- Providing adequate and appropriate instructions, training and information to enable our employees to perform their duties, including the use of any provided safety equipment and clothing, without risk to their health or safety.
- Implementing effective arrangements to ensure all our employees can access competent Health and Safety advice when needed.

Whilst the Managing Director is ultimately accountable for Health and Safety, the Workforce Representative (Daniel Bielby) has specific responsibilities for Health & Safety. Reference should be made to the Workforce Representative in the event of any difficulty arising in the implementation of this policy.

This health and safety statement of intent shall be reviewed annually, and the associated documentation, will be reviewed at a frequency commensurate with the risk controlled.

This statement of intent is held within our Integrated Management System, job packs etc. and on our website, thereby making it available to interested parties.
